

**MICHELLE DIFFENDERFER**  
President/Shareholder

561.640.0820 | [mdiffenderfer@llw-law.com](mailto:mdiffenderfer@llw-law.com) | 515 N. Flagler Drive, Suite 1500 | West Palm Beach, FL 33401

Mrs. Diffenderfer assists landowners, businesses and governments with local, state and federal, environmental, natural resource and land development legal requirements. Michelle helps clients navigate these laws and regulations in the permitting of their land development and infrastructure projects.

#### AREAS OF PRACTICE

- Represents the Seminole Tribe of Florida as special environmental counsel, including land development, water rights and cultural resource issues.
- Gains permitting and approvals for private development and public infrastructure projects involving complex issues related to wetlands, mitigation, threatened and endangered species, water quality, and drainage.
- Represents landowners and governments in the review, preparation and comment on Environmental Assessments and Environmental Impact Statements pursuant to the National Environmental Policy Act.
- Represents landowners and governments in the development, implementation and interpretation of Water Supply Policy, Plans, and Regulations.
- Represents clients in due diligence, permitting and compliance issues with the South Florida Water Management District, Department of Environmental Protection, U.S. Army Corps of Engineers, Environmental Protection Agency (EPA), the U.S. Fish and Wildlife Service (FWS) and the National Marine Fisheries Service (NMFS).
- Represents clients in the development of Biological Opinions, Habitat Conservation Plans and in the issuance of Incidental Take Permits and related consultation with the United States Fish and Wildlife Service (FWS), the National Marine Fisheries Service (NMFS) and the Florida Fish and Wildlife Conservation Commission (FWC).
